

Product Benefits

REHYDRATING 2-IN-1 CLEANSER & TONER

Our foaming gel formula does the work of two: dissolving residue and impurities, while toning skin—soothing and infusing it with moisture. Calming plant extracts help reduce redness and irritation, so skin feels clean, cooled, fresh—and ready for the next step in its daily care.

REPAIR SERUM

This silky blend of vitamins, bioflavonoids, and minerals feeds skin and helps boost its vitality, while our BioCé[®] Peptide fuels renewal. With antioxidant, mineral-restoring and tonifying properties, it's a daily recharge for skin.

REVEAL EYE CONTOUR

Our BioCé Peptide, along with a variety of plant actives, powers this all-in-one eye treatment. By increasing micro-circulation, it minimizes lines and dark circles, improves firmness and relieves puffiness, for a brighter, smoother look. As an eye makeup base, it softens and smoothes fine lines that can otherwise trap powder or makeup.

RENEW DAILY CREAM

Our potent but skin-pampering formula—powered by rich plant oils and antioxidants—helps moisturize and reenergize stressed or aging skin. It gives skin a lift, helping revive elasticity and firmness, and softening texture—for an immediately noticeable difference.

TIME SHIELD RECOVERY CREAM

Vitamin E and our BioCé Peptide together create an ideal nurturing environment for skin, by boosting collagen and defending skin against environmental and other stressors. Supported by antioxidants and moisture-enhancing hyaluronic acid, it's a recipe for skin recovery, helping increase elasticity, smoothness and radiance.

RESUR-FACE MICRODERMABRASION PROCEDURE

Our non-abrasive, skin-refining formula removes unneeded surface cells, revealing a new layer of skin. Alpha-hydroxy and gentle plant acids help stimulate skin cell renewal, for a fresh glow.

RESTORATIVE CREAM MASK

Our soothing, weekly cream mask rescues skin from its biggest stressors. Rich in plant oils, antioxidants and white clay, it adapts to your specific skin type: hydrating thirsty skin, balancing oil, and helping calm irritation. Boosted by our BioCé Peptide—which helps skin cells regenerate—it smoothes fine lines and leaves skin quenched, supple and radiant.

REJUVANAGE WRINKLE FILLER

This on-the-spot formula eases any worry about wrinkles. When applied, water-attracting micro-spheres open and expand on skin, immediately plumping and infusing it with moisture, while our patented BioCé Peptide helps boost collagen renewal. It's ideal before makeup, for smoother application and wear.

PRO-BRIGHTENING SERUM

This high performance perfecting serum diminishes the appearance of age spots to promote even-toned, flawless skin. It's a powerful treatment that helps reduce the appearance of irregular pigmentation while interrupting the cycle that creates age spots.

REHYDRATING BODY WASH

Rehydrating Body Wash gently cleanses and refreshes your skin, with a special blend of skin-pampering ingredients and citrus essential oils. Part of TOTAL BODY RENEWAL skin care, Rehydrating Body Wash should be followed by Replenishing Body Lotion and Renourishing Hand Cream for best results.

REPLENISHING BODY LOTION

Replenishing Body Lotion infuses moisture and improves contours while firming and toning your skin, in a light, non-greasy formula rich in antioxidants. Part of TOTAL BODY RENEWAL skin care, Replenishing Body Lotion should be applied after Rehydrating Body Wash along with Renourishing Hand Cream for best results.

RENOURISHING HAND CREAM

Renourishing Hand Cream soothes and protects your hands with a fortifying treatment that helps improve elasticity and tone. Part of TOTAL BODY RENEWAL skin care, Renourishing Hand Cream should be applied every time you wash your hands or when hands feel dry due to excessive activity.
